Today, by private vehicle you will go to **Rancabali, Bandung**. Get ready for a breath of fresh mountain air as soon as you step out of the car, while the glamping staff make you feel at home with their warm hospitality. Your glamping experience starts here. You will take a tour around the main attractions of this resort. Take lots of scenic photos as you cross **the floating bridge** that connects **Situ Patenggang** to Pinisi Restaurant.

Don't panic if the bridge sways a little, just keep your balance and keep going. Then we will relax on the Star Terrace, a four-point star-shaped view point terrace. Wherever you look, you will only find beautiful green surroundings and blue skies.

After enjoying the view, you will check in and enjoy dinner at **Pinisi Restaurant**, which is shaped like an old pinisi ship, the food here will taste even better with the vintage nautical atmosphere this restaurant offers.

After dinner, spend the evening with family or friends in the Family Tent. Immerse yourself in **the glamping experience**, as you hear the wind blow and the crickets sing. During cloudless days, don't forget to look up and observe the stars. (L,D)
