## MANADO BUNAKEN 3D

### Day 1 : Jakarta – Manado (City Tour)

From Sam Ratulangi International Airport, we are going to explore the city center. Oh, by the way, who says you have to go to Brazil to visit a magnificent **statue of Jesus Christ**? In Manado, you can visit the Christ Blessing statue. Standing 50 meters tall, this is the world's fourth tallest statue of Christ, as well as one of the most famous religious sites in the country. Take as many pictures as you want here before we explore more of the city.

When in Manado, visiting the **Chinatown** is a must, for the history of Chinese ethnicity in Manado goes back hundreds of years ago. The area is home to two famous temples: **Ban Hin Kiong** and **Kwang Kong Temples**. Been standing for over 300 years, Ban Hin Kiong is the oldest Taoist temple in East Indonesia. Both temples are still operating and they become more festive during Lunar New Year and Cap Go Meh. After Chinatown, we will also visit **the memorial site of the Battle of Manado**, which happened during the World War II when Japan planned to conquer the Netherland East Indies. (L,D)

### Day 2 : Bunaken

After tasting the city life of Manado, we will turn to the nature on our second day. Hop on our boat and we will take you to the amazing **Bunaken National Marine Park**. Swim, with additional cost you can snorkel and dive all day long here. With twenty diving spots, Bunaken provides the natural habitat of vibrant colored corals, sea turtles, sharks, 91 species of fish, and seagrass beds. If you choose to explore the land, you will encounter animals like cuscus, Timor Deer, and birds like seagulls, herons, and many more. Tired from all the snorkelling, we will then go spend the rest of the day for culinary and souvenir hunting! (B,L,D)
